No. 590. Read the following letter from the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 25th October 1867, No. 48 :—

1. Adverting to my letter of this day's date, No. 47, I have the honor to request that the Government will be pleased to appoint the Head Clerk of the Madras Collectorate, C. Sivasankara Mudali, B. A., to officiate as a Deputy Collector of the fourth class, and place his services at my disposal from the 1st proximo. He is a graduate of the Madras University, bears an excellent character, and from his having been employed as a Tahsildar for some time, possesses considerable revenue experience. He is consequently well qualified for the duty which I propose to entrust to him.

2. I request that he may be allowed to entertain an establishment on the same scale as that sanctioned for the other two Deputy Collectors already employed, and to draw mileage and batta at the sanctioned rates.

3. There are ample savings in the Budget to cover these charges.

No. 591. ORDER THEREON, 30th October 1867, No. 2,558.

**Land Revenue.**

1. In sending up his Budget Estimate for 1868-69, the Officiating Inam Commissioner adverted to the necessity for at once employing a Deputy Collector on the investigation of the Inam tenures in the Kistna District remaining to be disposed of, if the work is to be brought to a close within the end of the next official year.

2. He estimated the number of cases at about 14,000, but it now appears, as stated in Mr. Blair's letter of 25th October 1867, No. 47, sending up a revised Budget Estimate for 1868-69, that the actual number is 22,000, and that it will not be possible for the single Deputy Collector who has been appointed to the work by G. O. No. 2,467, dated 19th October 1867, to dispose of this number within the coming year.

3. Under these circumstances, the Government approve and sanction the proposal made in the above letter to appoint C. Sivasankara Mudali, B. A., now Head Clerk in the Madras Collector's Office, and lately a Tahsildar in the Nellore talook, and who has passed the Deputy Collector's Test, to officiate as a Deputy Collector of the fourth class for special duty in the Inam Commission in the Kistna District from the 1st November 1867, with the usual establishment and mileage and batta.

4. The charge will, for the present, be met from savings out of the current year's Budget provision for the Inam Commission, and will be provided for in the coming year's Budget as a distinct charge.
