Proceedings of the Madras Government, Revenue Department, 28th January 1867.

No. 537. Read the following letter from the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st January 1867, No. 1 :—

1. With reference to the Order of Government, dated 28th July 1863, No. 1,405, calling for explanation of a certain discrepancy between two statements made in the Inam Commissioner's Report, dated 7th March 1863, regarding the extent of Village Service Inams in the District of Madura, I have the honor to state that I find it impossible to account for the occurrence of the difference. As observed by the Board of Revenue, I believe that the first entry includes the Village Service Inams in Polliems also, while the second does not.

2. I had at first thought of preparing final abstracts of Village Service Inams for each district, and then replying to the above Order of Government; but I have since abandoned this intention, as this department has done nothing with the Village Service Inams beyond recording them in the Registers according to the existing state of enjoyment, excepting in the Ceded Districts, where the Inams have been enfranchised, and the necessary abstracts already prepared.

No. 538. ORDER THEREON, 28th January 1867, No. 257.
