Proceedings of the Madras Government, Revenue Department, 2nd November 1867.

No. 33. Read the following Proceedings of the Board of Revenue, dated 24th October 1867, No. 6,939.

Read the following letter from the Superintending Engineer, 2nd Division, to the Acting Collector of the Kistna District, dated Masulipatam, 13th September 1867, No. 131:—

With reference to your Memorandum, No. 102, dated 2nd July 1867, I have the honor to forward revised estimate and plan for the conversions of the public bungalow at Dachapully into a Tahsildar's Cutcherry of Palnaud talook, amounting to Rupees 2,430. The suggestions of the Board of Revenue, in their Proceedings, No. 3,763, dated 18th June 1867, have been duly attended to, excepting that the Gumastah's room has not been exclusively appropriated for records; but an additional room has been added to this building on the west side in which records can be kept, and it is hoped that this arrangement will meet the approval of the Board of Revenue.

ENCLOSURE No. 1.—Specification Report.

ENCLOSURES Nos. 2 and 3.—Estimates.

ENCLOSURES Nos. 4 and 5.—Plans.

1. In a letter, dated 11th January 1867, No. 12, the then Collector of the Kistna District suggested, when reporting on the construction of a vault for the treasury in the Talook Cutcherry proposed to be built at Dachapully, that the public bungalow should be fitted up as a Cutcherry, for which purpose it had been used for some time past.

2. The Board, in their Proceedings, dated 1st February 1867, No. 681, accordingly requested the Collector to submit a plan and estimate for converting the bungalow into a convenient Tahsildar's Office.

3. This was forwarded by the Collector with a letter, dated 16th May 1867, No. 145. The estimate amounted to Rupees 7,920, and included the erection of a Subsidiary Jail Treasury and out-houses; and the Board, in their Proceedings, dated 18th June, No. 3,763, requested that a revised estimate might be submitted, omitting the Jail, and placing the Treasury and Guard-room in the bungalow.

4. Several alterations were at the same time suggested, which have, with one trifling exception, been introduced into the estimate now forwarded with the

foregoing letter, which, together with its enclosures, is herewith submitted to Government, with the Board's recommendation that the plan be sanctioned.

Miscellaneous.

The Government desire to be informed what arrangement is contemplated by the Board for the confinement of short-time prisoners, and how such cases are now disposed of at Dachapully.

Read the following letter from Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, Second Division, to the Acting Collector of the Kistna District, dated Masulipatam, 13th September 1867, No. 131:—

With reference to your Memorandum, No. 102, dated 2nd July 1867, I have the honour to forward revised estimate and plan for the conversions of the Public Bungalow at Dachapilly into a Tahsildar's Cutcherry of Palnaud Taluk, amounting to Rupees 2,430. PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st February 1867.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna district, to the Secretary to the Board of Revenue, dated Circuit Cutcherry at Rajapett, 11th January 1867, No. 12:—

1. With reference to the Board's Circular Memorandum, No. 987, dated 4th October last, I have the honour to forward, herewith, an estimate amounting to Rupees 540 for a vault, to be used as a Treasury in the Taluk Cutcherry, sanctioned to be built at Dachapully.

2. The cost for the Treasury, as per sanctioned plan, amounted to Rupees 437, and in the present case an additional outlay of Rupees 103 is required; total Rupees 540.

3. The Superintending Engineer doubts as to where the proposed cellar is to be built, and I request to be favoured with the Board's instructions on the subject.

4. The construction of a new Cutcherry at Dachapully was sanctioned three years ago, but hitherto no funds have been allotted. The old Cutcherry having become so much dilapidated as to be unsafe, the Tahsildar was allowed to occupy the public bungalow at that station, which is no longer maintained for travellers, and has been ordered by the Government to be sold.

5. The bungalow answers the temporary purpose of a Cutcherry very well; and I propose to retain it for that use for the present, no allotment having been made for the new building even in the coming year's Budget.

6. It would probably even now be cheaper to enlarge and alter the bungalow than to build an entirely new office.

ENCLOSURE No. 1.

From Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, Second Division, to the Collector of the Kistna district, dated Camp at Nellore, 22nd December 1866, No. 161.

1. As requested in your letter, No. 250, dated 22nd October, I have the honour to forward an estimate for a vault to be used as a Treasury in the Taluk Cutcherry to be built at Dachapully, amounting to Rupees 540. The plan is the standard one approved by the Board. No stone for cutting can be obtained in the Palnad, and I have in the present case estimated for walls of limestone slabs, with which very strong and neat work may be executed.

2. I cannot, however, clearly understand where this cellar has to be placed, and I think the walls are too thin at top to stand the strain and jar to which they will be exposed when the heavy iron-lids are opened and closed. I should recommend that they be 2' thick throughout.

3. The cost of the Treasury, in the sanctioned plan of the Cutcherry, amounted to Rupees 437. There will consequently, in the present case, be an increase of Rupee 103 in the total estimate.

Collector.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th June 1867.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna district, to the Secretary to the Board of Revenue, dated Masulipatam, 16th May 1867, No. 145:—

1. With reference to the Board's Proceedings, No. 681, of the 1st February last, I have the honour to forward, herewith, plans and estimate, amounting to Rupees 7,920, for converting the discontinued Public Bungalow at Dachapally into a Tahsildar's Cutcherry of Palnad taluk, and for erecting a Subsidiary Jail, Treasury, and Out-houses; and request that the Board will be pleased to obtain the sanction of Government to the estimate in question.

2. A sum of Rupees 6,000 has been provided for this work in the current year's Budget, Item No. 58. By this arrangement, the saving to Government is Rupees 2,340, out of the original estimate, sanctioned in Government Order, No. 364, of 1865.

ENCLOSURE No. 1.—Specification Report.

ENCLOSURES Nos. 2 and 3.—Estimates.

ENCLOSURES Nos. 4 to 6.—Plans.

The Collector is requested to submit a revised estimate and plan, omitting the Subsidiary Jail and placing the Treasury and Guard-room in the Bungalow. The Post Office might be removed into an enclosure in the verandah alongside either of the Inspector or Tahsildar's room, and the back verandah might be converted into a Treasury and Guard-room, and a portion of the Cutcherry could be converted to the former purpose. The main building should be connected with the Gumastah's room by a covered verandah. The Board would also suggest that the latter building should be exclusively appropriated to records.
