PROCEEDINGS OF THE BOARD OF REVENUE

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna (through the District Forest-officer, Kistna), dated Vinukonda, 26th September 1896, Ref. No. 71-Av. :—

I have the honour to report the conclusion of the settlement of the proposed Andugulapad reserve, in the Vinukonda taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act, proposing to constitute this area into a reserved forest, appeared in the *Fort St. George Gazette*, dated 12th September 1893; and the proclamation under section 6 of the Act was published in the District Gazette of February 1894.

3. Mr. J. T. Lever was originally appointed to settle this block and afterwards Mr. R. H. L. Lushington; and in notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement officer.

4. The reserve was inspected, perambulated and enquired into by Mr. J. T. Lever in July 1894, and three claims were preferred for the following rights :—

- (1) One claim to a shrine

- (1) One claim to a shrine.
- (2) One claim to seven rights of way.
- (3) One claim to a right of way.

Lingalakonda.

The claim to the shrine was admitted, and the shrine has been ordered to be demarcated out and retained as an enclosure within the reserve free from reservation. Of the seven rights of way claimed and involved in item No. 2, six were admitted and one rejected as unnecessary. The claim by the Agraharamdar of Chavutapalem to a portion of the Lingalakonda, involved in item No. 3, was rejected, as the claimants failed to prove that the portion claimed formed part of their agraharam; and my decision has not been appealed against.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

- (i) A signed copy of the B register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch-map of the reserve.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

Forwarded to the Secretary to the Commissioners of Land Revenue, through the Conservator of Forests, Northern Circle.

2. The statement of area and condition is enclosed.

3. Right of way No. 4 can be later merged into No. 1 when the boundary has been properly cleared; or if the Board thinks fit, in respect of recent Government Orders directing the exclusion of rights of way as far as possible, the southern boundary may be altered by a straight line from the point of entry of right of way No. 1 to the north-east corner of survey No. 296, cutting out 130 acres and excluding right of way No. 1 altogether and a portion of No. 4 which can be afterwards eliminated "in toto" when the boundary is cleared. Similarly a straight line from the point of exit of right of way No. 3 to a point 400 links west of the north-east corner of survey No. 305 of Andugulapad would exclude that right of way and 26 acres. The total exclusion in this fashion would be 156 acres, leaving a balance of 2,044 acres.

RESOLUTION—Forest No. 123, dated 22nd March 1897.

In accordance with the Collector's suggestion in paragraph 3 of his forwarding endorsement, the Board has made certain alterations in the eastern and southern boundaries of the blocks as indicated in blue pencil on the sketch-map. Though this course involves a sacrifice of about 156 acres of forest land, it has the advantage of freeing the reserve from unnecessary private rights.

2. The Board accordingly submits to Government the draft notification, as thus amended, for approval and publication in the *Fort St. George Gazette*, the 30th June next being recommended as the date from which the reservation shall take effect.

3. The small portion of the cart-track from Andugulapad to Nilagangavaram via Tangirala should be diverted along the boundary line, when cleared, as proposed by the Collector in his endorsement.

4. The block covers an area of 2,044 acres only on account of the exclusions referred to in paragraph 1 above.

Claims on behalf of the villagers of Andugulapad and surrounding villages for the exclusion of the shrine of Dugdivaram which is situated on the western slope of Lingalakonda hill, with a space of six yards square to the east of the shrine.	Challadappa, son of Pitelin, the village munisi of Andugulapad, deposes on solemn affirmation in corroboration of the claim.	Admits claim ..	Claim admitted. The shrine, together with a space of six yards square, will be excluded from the proposed reserve, but left as an enclosure in it; the shrine and the space to the east of it being themselves free from reservation.
2	Challadappa of Andugulapad, village munisi, as head of the village.	Do.	Claims on behalf of the general public the following rights of way:— (1) The cart-track from Andugulapad to Ummadevaram in the Karnool district which enters the reserve about seven hundred and forty links north-east of the north-east corner of survey No. 297 of Nilagangavaram. Its length through the cart-track No. 4 <i>infra</i> , leaves it at a point about three hundred links east of the north-east corner of survey No. 297 of Nilagangavaram which enters the reserve at a point about four hundred and fifty links north of the south-west corner of survey No. 261 of Andugulapad and running through it in a north-westerly direction, leaves it at a point about one thousand two hundred and ten links north-east of the south-east corner of survey No. 214 of Andugulapad.	 4 and 6 as he thinks that they are quite unnecessary. Resolution—Forest No. 123, dated 22nd March 1897.

In accordance with the Collector's suggestion in paragraph 3 of his forwarding endorsement, the Board has made certain alterations in the eastern and southern boundaries of the block as indicated in blue pencil on the sketch-map. Though this course involves a sacrifice of about 156 acres of forest land, it has the advantage of freeing the reserve from unnecessary private rights.

2. The Board accordingly submits to Government the draft notification, as thus amended, for approval and publication in the *Fort St. George Gazette*, the 30th June next being recommended as the date from which the reservation shall take effect.

3. The small portion of the cart-track from Andugulapad to Nilangavaram *via* Tangirala should be diverted along the boundary line, when cleared, as proposed by the Collector in his endorsement.

4. The block covers an area of 2,044 acres only on account of the exclusions referred to in paragraph 1 above.
