1. Resolved that the foregoing Returns be submitted to Government, with reference to their Order, dated 4th August 1866, No. 1,968.

2. The delay in the submission of these Returns has been occasioned by the non-receipt of those from Coimbatore and Madras till the 5th August and 2nd September 1867, respectively. The Collectors concerned will be requested to be more punctual in future.

3. The Sub-Collector of Madura appears to have spent about a month and a half altogether in May and June on the Pulney Hills, and the remaining fortnight with the Collector. It will be pointed out to him that this is leaving his head-quarters too frequently for these Hills and the Principal Division; and that he need not enter (as is done in the present Return) each occasion on which he rides down the ghaut and back again from Kodaikanel to Shembaganoor, as the ghaut is a short one, the distance being about two miles.

4. In the Returns from South Canara and Malabar Districts, the particular duties in which the several officers were engaged during their absence from the head-quarters should have been specified.

5. In other respects, the present Returns call for no special remark from the Board.

No. 86. ORDER THEREON, 5th November 1867, No. 2,613.

Miscellaneous.

Ordered to be recorded.
