*Proceedings of the Madras Government, Revenue Department,
6th November 1867.*

No. 114. Read the following letter from the Collector of Malabar, to the Secretary to Government, Revenue Department, Fort St. George, dated Luckady, Wynaad Talook, 26th October 1867, No. 123 :—

* Dated 10th October 1867, No. 770. With reference to the accompanying copy of a communication* from the

Resident of Travancore and Cochin, and the Order of Government dated 4th October 1867, No. 2,332, therein referred to, which has not been communicated to this Office, I have the honor to request instruction for the levy of the lower rate of export duty, viz., 9 Rupees on pepper, the produce of the above States, exported from British Cochin. As the duty is payable to the above Government, I am not aware of any objection to their request for lowering the duty being carried out in anticipation of the modification of Act III of 1861. I have addressed this reference direct to Government, sending a copy to the Board of Revenue, as early instructions are required for my guidance.

From the Resident in Travancore and Cochin, to the Collector of Malabar, dated Nagercoil, 10th October 1867.

1. I have the honor to acknowledge the receipt of your letter, No. 2,281, dated the 5th instant, and in reply to inform you that the Travancore and Cochin Sirkars have reduced the rate of duty on pepper from 15 to 9 Rupees per candy, and that the pepper which has paid the same should be passed free for export, and the same rate of duty levied on pepper not covered by certificates in lieu of the duty of Rupees 15 per candy, provided for by Act III of 1861.

2. I enclose you copy of the Proceedings of the Madras Government, No. 2,332 of the 4th instant, on the subject.
