The Deputy Collector at Nursapur with charge of Undi and Nursapur.

4. In their Proceedings, dated 16th March 1867, No. 1,631, the Board requested that the Collector would furnish them with a Talook Map and a Memorandum giving the population and revenue of each talook, and also the population of Cocanada, Rajahmundry, Ellore, and Nursapur.

5. This was received from the Collector in April, and submitted to Government with Board's Proceedings, dated 10th June, No. 3,530; the Board at the same time recommending that the Sub-Collector should remain for the present at Nursapur, and observing that it would be undesirable to remove the Collector from so important a station as Cocanada.

6. Government in their Proceedings, dated 28th June, No. 1,412, confirmed the view thus taken by the Board, and, reverting to the original question of the provision of proper office accommodation for the Sub-Collector at Nursapur, stated that instructions would be issued for the preparation of plans and estimates for a

7. The Board's opinion was also asked as to the desirability of removing the Head Assistant to Ellore and the Deputy Collector to Rajahmundry.

9. These Proceedings were communicated to the Collector, and the foregoing letter is his reply.
