*Proceedings of the Madras Government, Public Works Department,
4th November 1867.*

Read the following papers:—

No. 63. From the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 19th October 1867, No. 1,370.

1. With reference to G. O. No. 3,069 of the 3rd instant, I have the honor to submit for sanction, with the Collector's approval, the following proposal to utilize the funds† set at liberty from the current year's Budget, by the transfer of different roads to the list of district roads, in the Tinnevely District:—

For Trunk Road No. IV, for completing the unfinished gap near Satoor, amount of estimate...	RS.	4,600
Deduct amount sanctioned from Income Tax funds in G. O. No. 3,024 of 27th September 1867	RS.	2,556
Balance	RS.	2,044
For Trunk Road No. IV, for completing other unfinished portions, being the balance of estimate of Rupees 30,000, and for which there is an allotment ‡ in the current year's Budget of Rupees 5,000		6,438
For Trunk Road No. IV, for another incomplete portion in the 5th Range, not hitherto estimated, and for which there will be required		5,860
For the cotton road, Streevelliputtoor to Tuticorin; completing the portion near Tuticorin on estimate of Rupees 11,700, sanctioned in G. O. No. 3,398 of 13th November 1865; allotment to be spent this year		5,000
To make good expenditure sanctioned by local authorities in the current year on the road between Tinnevely and Tenkasi and on other roads, from the Budget allotment, Part III, Minor repairs to roads, &c., Rupees 10,100...		8,126
For road No. 8 between Palamcottah and Tuticorin, for which there is a Budget allotment§ of Rupees 15,000		2,782
Total		30,250

2. Trunk Road No. IV is the main southern line from Trichinopoly through Palamcottah, to Arambuli in Travancore, and is the road of most importance in this division; small grants have been given from the year 1864-65 on an estimate of Rupees 30,000, from which there remains still Rupees 6,438 to be provided. Again, there are unfinished portions in the southernmost (Nanguneri) talook, for which no estimate has hitherto been made; the Range Officer has given me the amount required as Rupees 5,860, and I hope to submit the estimate in a few days.

The total demand for this road is Rupees 14,342, and I would wish to carry on at once the work on the two first items Rupees 2,044 and Rupees 6,438; not incurring expenditure on the third, Rupees 5,860, till the estimate is sanctioned.

3. The road of next importance is the trunk cotton road to Tuticorin, and much inconvenience is experienced in getting the heavy cotton loads over the bad bit near Tuticorin. The estimate of Rupees 11,700 being somewhat high for

*Proceedings of the Madras Government, Public Works Department,
4th November 1867.*

expenditure in the remaining months of this year, I propose spending now only Rupees 5,000, and leaving the balance for next year; the difference, Rupees 6,700, having been entered* in my Budget estimate for 1868-69.

* Vide my letter, No. 1,331 of the 15th October 1867.

4. The funds available under the Budget allotment "Minor repairs to roads," are usually distributed early in the year, and after providing Rupees 8,126 under this head, there remains a sum of Rupees 2,782, which may with most advantage be laid out on the road under construction between Tinnevelly and Tuticorin.

5. In making this distribution of funds I have had in view the principle of a large expenditure on one road, rather than small allotments for several roads. Trunk Road No. IV will be removed from future Budgets, there remain then only two items for next year, *i.e.*, for completing the cotton road; and other available funds can be devoted to complete the road between Palamecottah and Tuticorin, in a moderate time.

No. 64. From the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 28th October 1867, No. 1,438.

1 Estimate.

With reference to paragraph 2 of my letter No. 1,370 of the 19th instant, I have the honor to submit for sanction the estimate of Rupees 5,860 for earth-work, metalling, and gravelling, required to complete the remaining portion* of Trunk Road No. 4 in the 5th Range, Tinnevelly District, which I hope to have put in thoroughly good order by the close of this official year.

* About 3 $\frac{1}{2}$ miles.

No. 65. ORDER THEREON, 4th November 1867, No. 3,413.

ACCOUNT, No. 9.

1. The Government approve of the sum of Rupees 30,250 which was set free from the Imperial allotment for the Tinnevelly District in the Order of the 3rd October 1867, No. 3,099, being appropriated to the works enumerated in paragraph 1 of the first of the letters above recorded.

2. The estimate of Rupees 5,860 for completing that portion of Trunk Road No. IV which lies in the Nangunerri talook is sanctioned.

3. These orders will be subject to the confirmation of the Government of India.
