Proceedings of the Madras Government, Revenue Department,
11th November 1867.

No. 186. Read the following Proceedings of the Board of Revenue, dated 4th October 1867:—

Read Proceedings of the Madras Government, Revenue Department, dated 28th June 1867, No. 1,453.

---

1. Communicated to the Collector of Bellary for Mr. Foster's information and guidance.

2. The Board are of opinion that the Act should be amended so as to include Toddy. It is expressly mentioned in Regulation I of 1820, and it was never intended to omit it in the new Act, whether before or after fermentation. If conviction is to turn on the question of fermentation, there will be very extensive smuggling. The new Act gives the privilege not before conceded of making liquor for home use.

No. 187. ORDER THEREON, 11th November 1867, No. 2,664.

Separate Revenue, No. 10.
Abkari.

1. The Board will ascertain, by enquiry from the Collectors, whether actual necessity exists for modifying Madras Act III of 1864, so as to include Toddy in an unfermented state under the Abkari Regulations.

2. The Government doubt whether such Toddy could have been brought within the provisions of Regulation I of 1820, which specifies "Rum, Arrack or "other Spirits, or Toddy or *other fermented* liquors," which seems clearly to exclude *unfermented* Toddy.
