Proceedings of the Government of India, in the Financial Department, (Accounts), dated Simla, 10th October 1867, No. 2,969.

Read again Financial Resolution No. 325, dated 25th January 1867, authorizing the transfer of charges for petty irrigational works from the Public Works to the Civil Budget Estimate of the Madras Presidency.

Read Proceedings in the Public Works Department, No. 610 A, dated 25th June 1867, forwarding a letter from the Government of Madras, requesting that the foregoing order may be cancelled, and that a sum of Rupees 3,89,000 may be re-transferred from the Civil to the Public Works estimates, to meet charges for petty irrigation works.

Resolution.—The Governor General in Council observes that the provision of Rupees 3,92,200 in the Civil estimates admits of this transfer, which is accordingly authorized to the extent of Rupees 3,89,000—the balance being allowed to lapse.

Ordered that a copy of this Resolution be sent to the Public Works Department, the Comptroller General of Accounts, and the Accountant General, Madras. Also, that a copy of the Resolution be forwarded in this Department to the Government of Fort St. George, with a remark drawing attention to paragraph 13 of the orders on the Madras Civil estimates for 1867-68, wherein the large sum of one lakh of Rupees for construction and repair of petty salt works, was allowed to stand in the Budget, pending the submission of information which has not yet been furnished.
