*Proceedings of the Madras Government, Revenue Department,  
13th November 1867.*

Read the following letters :—

No. 220. From V. VENKATACHELLUM, Deputy Collector on general duties in Kistna District, to the Secretary to Government, Revenue Department, Fort St. George, dated Venuconda, 30th October 1867.

1. I beg to report that I received through district tappal on the evening of 29th instant the "Fort St. George Gazette" of 22nd instant, by which I perceived that the Government have been pleased to direct my employment in the Inam Commission.

2. As there are some cases of Inam of every talook in the Kistna District left for future disposal by the Inam Deputy Collectors, I think I am placed in the Inam Commission for disposing of them.

3. I respectfully beg to represent that, if it please the Government to accede to my request, I am ready to dispose of those cases in addition to my present work as general Deputy Collector, in the same manner as Mr. Wilson has been doing both Revenue and Settlement duties.

4. I have taken the liberty of submitting this request, as the remaining cases cannot afford such work as was done by the Inam Deputy Collectors in 1859 and 1860 in Kistna District, and as my present work in the Inam department be compared with the work formerly done by me and other Deputy Collectors in the Inam department will be found less, and will be followed with remarks by higher authorities.

5. I have submitted this application direct, as it is desirable that Mr. Plunkett should have early notice, in the event of Government pleasing to accede to my request.

Referred to the Officiating Inam Commissioner for his remarks.

*Secretary to Government.*

No. 221. From the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 8th November 1867, No. 54.

\* Herewith returned.

With reference to Deputy Collector V. Venkatachellum's letter\* of the 30th ultimo, forwarded for my remarks, I have the honor to state that considering the quantity of the Inam work remaining to be disposed of in the Kistna District, I do not consider that Venkatachellum would be able to perform his present duties as general Deputy Collector in addition to his work in this department. Venkatachellum cannot have any correct idea of the number of Inam cases remaining unsettled in the Kistna District.

No. 222. ORDER THEREON, 13th November 1867, No. 2,681.

Miscellaneous.

The arrangements already ordered will be carried out.
