*Proceedings of the Madras Government, Revenue Department,
13th November 1867.*

No. 227. Read the following Proceedings of the Board of Revenue, dated 5th November 1867, No. 7,231.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Pondicherry, 9th October 1867, No. 260 :—

1. In reference to the Board's Standing Circular, dated 16th November 1865, No. LXXXV., requiring an annual report on the progress made in improving Salt roads, I have the honor to state that, although estimates have been submitted by the Superintending Engineer for the completion and repair of the roads ordered to be transferred to the Salt Board's Proceedings, dated 6th November 1866, No. 8,034.

Department, the Government in their Order, dated 10th December 1866, No. 3,892, Public Works Department, stated their inability to make provision for the works in the Budget for 1867-68, and those roads, therefore, continue under the control of the Public Works Department.

2. I have, however, directed my Salt Deputy Collector to inspect the Salt roads, and I beg to forward copy of his letter* reporting on their condition.

* Dated 7th September 1867, No. 118. Provision has been made in the Salt Public Works Budget of next year for the three-quarters of a mile of road, alluded to in the second paragraph of his letter.

From the Salt Deputy Collector of South Arcot, to the Collector of South Arcot, dated Markanum, 7th September 1867, No. 118.

1. In accordance with paragraph 4 of your Official Memorandum, No. 619, of 20th July 1867, I have the honor to report, for your information, that none of the Salt roads in the district have as yet been handed over to this department.

2. As you are already aware those about this division (Merkanum) are in good order, with the exception of about three-quarters of a mile of the road running through the village and round by the large pagoda; there is also complete road from here to the Chunampett pans.

3. The road leading to the Goondalum pans is in good order. Nothing has of late been done in the way of repairs to the Coodicadoo and Theagavelly roads.

4. Those at Killay division are as good as can be expected, considering the nature of the soil out of which roads have to be made.

Submitted to Government, through the Department of Public Works, with reference to paragraph 53 of Government Order, dated 2nd October 1865, No. 2,379, Revenue Department.

No. 228. ORDER THEREON, 13th November 1867, No. 2,684.
