*Proceedings of the Madras Government, Revenue Department,
15th November 1867.*

No. 275. Read the following Proceedings of the Board of Revenue, dated 4th November 1867, No. 7,205.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 28th September 1867, No. 268:—

1. With reference to my letter* on the subject of the accommodation to be had at Ellore for the Head Assistant's office and residence, I have the honor
- * 22nd August 1867, No. 230.

to state that since writing it, I have seen Captain Beckley and Mr. Happell.

2. The former informed me that the accommodation in the Barracks, or places of arms, if not now all required by his department, will probably shortly be so required; and the latter tells me that the houses at Ellore are in such a dilapidated condition, that, though an Officer might make shift with them during the cold season, they would be uninhabitable in the hot weather, or rains, till extensively repaired.

3. In the Head Assistant's division, as it now is, there are four Sub-Magistrates under him. In the present Deputy Collector's charge there are but two Officers.

4. The Magisterial work now performed by the Head Assistant Magistrate is much heavier in his present, than it will be under his new charge as proposed by the Board. For this reason, among others, I advocated the Sub-Collector's location at Rajahmundry, and the Deputy Collector's at Narsapur, as proposed in my letter of the 22nd ultimo.

5. Anyhow, till a General Duty Deputy Collector joins the district, I hope the Head Assistant may be allowed to remain where he now is.

Submitted to Government, in continuation of Board's Proceedings, dated 28th October 1867, No. 7,013.

No. 276. ORDER THEREON, 15th November 1867, No. 2,706.

Miscellaneous.

The Government will await the Collector's further observations after their Order of 7th November 1867, No. 2,634,

Revenue Department, shall have reached him.
