Proceedings of the Madras Government, Revenue Department, 18th November 1867.

No. 308. Read the following Proceedings of the Board of Revenue, dated 31st October 1867, No. 7,091 :—

Read the following letter from the Collector of Tinnevelly, to the Secretary to the Board of Revenue, dated Tenkasi, 12th September 1867, No. 503.

1. The Survey Maps are forwarded to me as lithographed; they are mostly of large size and cannot be used in the field without being torn by the wind; they are consequently comparatively useless to the Curnums till mounted, and I cannot mount them except at considerable expense. The Trichinopoly Maps cost eight annas per square-yard for mounting, but the work can now be done in Madras at five annas per square-yard. I cannot furnish an exact estimate, as I am ignorant of the dimensions of the Maps I may receive, but four copies are required for issue, and there are 1,000 villages; 4,000 Maps, at an average of two square-yards each, will, at five annas a yard, cost 1,250 Rupees for mounting, and I request sanction to incur this expense, which will be spread over the next five years.

2. The Director of Revenue Settlement has kindly undertaken to superintend the mounting.

Submitted to Government, with the Board's recommendation that the cost of Rupees 1,250 may be sanctioned for mounting the Village Maps of the District. The charge can be met from the provision made in the Settlement Budget.

No. 309. ORDER THEREON, 18th November 1867, No. 2,722.
