No. 153. Read the following Proceedings of the Board of Revenue, dated 29th October 1867, No. 7034.

Read letter from the Acting Collector of Madras, to the Secretary to the Board of Revenue; dated Sydapet, 4th October 1867, No. 329.

With reference to the Board's Proceedings of the 3rd August last, I have the honor to submit the following information on the subject of paragraphs 13 and 14 in Government Order, No. 1155, of the 20th July last.

2. The ground required as a cook-room for the Subsidiary Jail at Chingleput belongs to Government. A part of the present Chingleput Taluq Cutcherry was for a time unoccupied, and in charge of the then Civil Judge (Mr. A. W. Phillips), who appears to have allowed a Police Inspector, Mr. Brown, to occupy the building, and to erect on the rampart adjoining some out-houses. There are now some ruined walls on this ground, which are reported by the Range Officer to be absolutely worthless. I have, therefore, desired Mr. Brown to remove the walls at once.

3. The land at Ootramalloor belongs to the claimant, a Brahmin, named Streenevasa Vadiar. The portion required for the Jail, if taken up, will render useless an adjoining plot of ground belonging to the same person. For both these pieces the owner claims Rupees 70. The Tahsildar does not consider the demand too high, but the Sub-Collector thinks Rupees 35 would be a fair price. The ground is 105 feet by 34.

4. The small piece of land referred to in paragraph 45 of the Committee's report belongs to one Sadasiva Chetti: it is 87 by 48 feet in extent. The Tahsildar recommends Rupees 20 as compensation both for the land and removal of a hut. I am in communication with the Subsidiary Jail Committee regarding the purchase of this ground.

Submitted for the information of Government, with reference to Order, dated 20th July 1867, No. 1155, Judicial Department.

2. The Collector should have given his own opinion on the subject referred to in paragraph 3. The Board would give the Rupees 70 demanded, rather than allow any delay to occur in the acquisition of the land.
