*Proceedings of the Madras Government, Revenue Department,
20th November 1867.*

No. 351. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Dowlaishweram, 25th October 1867, No. 166.

1. I have the honor to forward herewith copy of a letter, No. 772 of 4th instant, from the Collector of Vizagapatam, for instructions.
2. I observe from the Salt Works Budget, sanctioned by Government in the Revenue Department on the 20th September 1867, and communicated to this Department with G. O. No. 2,974, of 24th idem, that Rupees 1,000 for the repair of the road from Vizagapatam to Gauzuwaka, and Rupees 400 for that of the road from Karassa to Gopalpatnam, are available; but the Collector states that under the Board's orders, issued so far back as 1st August 1867, the first sum was reduced to Rupees 502, and the second entirely struck out.
3. As there is a special Budget and grant for Salt works, I beg to be informed whether funds from Imperial Budget can be advanced to the Collector for expenditure on Salt roads.

From the Acting Collector of Vizagapatam, to the Acting Superintending Engineer, 1st Division, Dowlaishweram, dated Vizagapatam, 4th October 1867, No. 772.

1. In the Revenue Budget for this year a sum of Rupees 1,000 was allotted for the Salt road from Jeypore road, at 2nd mile from Vizagapatam, viz Karassa to Gauzuwaka, and Rupees 400 for that from Karassa to Gopalpatnam.
2. In Board's Order, dated 1st August 1867, the allotments for Salt works having been ordered to be reduced, one-half the allotment for the first road was cut down to Rupees 502, and that for the latter entirely struck out.
3. In the Public Works Budget for this year, I find allotments of Rupees 1,719 and 382 for the said roads, respectively.
4. You will observe that the sum of Rupees 1,719 is for the whole road, from the 2nd mile from Vizagapatam, &c., to Balacheruvu, while the sum of Rupees 502, mentioned in paragraph 2, is for that portion as far as Gauzuwaka only.
5. I have the honor to request you will inform me if you can place the whole of this money or a portion of it at my disposal, and if so, that you will be so good as to do so at your earliest convenience.

—

Referred to the Revenue Department. It is observed that provision to the extent of Rupees 1,400 is made for the roads in question in the revised Salt Budget, recorded in Revenue Proceedings of the 20th September 1867, No. 2,204.
