*Proceedings of the Madras Government, Revenue Department,
21st November 1867.*

No. 386. Read the following Proceedings of the Board of Revenue, dated 4th November 1867, No. 7,202.

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 19th October 1867, No. 1,114:—

1. A female pensioner by name Ishauma, who draws a subsistence of life Yeomiah of Rupees 2-8-0 per mensem, according to Government Order, dated 3rd January 1823, has presented to me a petition, praying that her pension may be commuted for three years' purchase. She was personally mustered by the Acting Head Assistant Collector at Kavali in September last. He states "she is of great age, I should say at least eighty-five, and, though a hale woman, finds it impossible to attend monthly at Kavali to receive her pension. She resides at Kaligiri, twenty-two miles off, and cannot get a duly qualified Vakeel. There is only one Yeomiahdar in the talook qualified to act for her, and he resides at Kavali." The Acting Head Assistant Collector recommends that her pension may be allowed to be commuted, as he thinks she looks likely to live that length of time, or, if this cannot be done, that the rules regarding Vakeels be relaxed in her favor.

2. As the petitioner's pension exceeds Rupees 20 per annum, her pension cannot be commuted without special order. Although she is not a secluded female, she is a Mahomedan female of great age, and her request may, under the peculiar circumstances of the case, I think, be granted.

1. Submitted for the orders of Government.

2. Under the circumstances stated by the Collector, the preferable course would seem to be to allow Ishauma's pension to be paid to any authorized agent month by month, on the production of a certificate to the effect that she is still alive from some trustworthy village officer living at or in the neighbourhood of Kaligiri, and appointed by the Collector.

No. 387. ORDER THEREON, 21st November 1867, No. 2,760.

Miscellaneous.

The Acting Collector is authorized to offer the pensioner the option of continuing to receive her pension under the arrangement proposed in paragraph 2 of the Board's Proceedings, or of commuting it at *five* years' purchase, which is the minimum under the rules, as the case is evidently one to which the rules regarding secluded females may properly be applied.
