Ans

No. 579. Read the following Proceedings of the Government of India, Public Works Department, Revenue—Forests, dated Fort William, 18th December 1866, No. 461 F:—

Establishments for the Paupanassam and Kalacad Forests in Tinnevelly, Madras.

Read—

A letter from the Government of Madras, No. 3,096, dated 14th November 1866, forwarding an extract from the Statement of fresh charges on account of salaries, &c., sanctioned by that Government, in the Revenue Department, within the Budget Grants, during the month of August 1866.

OBSERVATIONS.—An Establishment consisting of—

	Rs.
1 Overseer	20
8 Peons, at Rupees 5 each	40
10 Hill-men, at Rupees 3 each	30
Total...	90

is desired for the Forests at Paupanassam, and an Establishment of—

	Rs.
1 Overseer	15
4 Peons, at Rupees 5 each	20
Total...	35

for the forests at Kalacad, both in Tinnevelly, making a total of Rupees 125 a month, to be met from savings under "5, Forests."

These forests have recently been brought under conservancy, and it is expected that the cost of the establishments will be amply covered by the sale proceeds of timber. There are no actuals of previous years to serve as a guide, save the casual sale of wind-falls, or confiscated timber, but these amounted to Rupees 600 last year.

ORDER.—Ordered, that the letter and tabular statement referred to be forwarded to the Financial Department for consideration and orders, with the recommendation that the sanction of the Madras Government be confirmed for two years, during which period the resources of these forests (understood to be valuable) will have been fully ascertained.

No. 15.

CONFIRMED.—Copy sent to the Public Works Department and to the Accountant General, Madras.
