*Proceedings of the Madras Government, Revenue Department,
26th November 1867.*

No. 481. Read the following Proceedings of the Board of Revenue, dated 15th November 1867, No. 7,461 :—

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 4th November 1867, No. 246.

1. I have the honor to submit, for the seal of Government, the Deeds marginally noted, and to request that they may be caused to be returned to me with the Government seal as early as

X Nos. 14 and 15.

may be practicable, with a view to Deed No. 14 being presented for registration within the prescribed period of four months, which will expire on the 8th instant. The delay in submitting it for Government seal has arisen from the incorrect manner, involving re-preparation, in which it was originally prepared in the Office of the Deputy Collector of Wynaad. The Deed in its present shape was received in my Office only on the 28th ultimo.

2. The names of the officers and departments by whom the plans were prepared, and the dates of their preparation, are not entered in the plans, as the information is not in my Office; but the omission will be duly supplied by me after the Deeds are returned to me with the Government seal.

—
ENCLOSURES Nos. 1 and 2.—Title Deeds in duplicate.
—

1. Ordered that the Title Deed, in duplicate, numbered 15, received with the above letter, be submitted for the seal of Government, in accordance with Rule 5 of the "Subsidiary instructions relating to the sale of assessed waste on the Neilgherries, Shervaroys, and in the Wynaad," recorded in the Proceedings of Government, No. 1,208, dated 6th July 1863.

2. The word "Mulla" is spelt with an aitch in the Schedules, and without that letter in the Plans. The Collector will be requested to guard against similar irregularities in future, and to be careful in supplying the omission alluded to at the close of his letter, on receipt of the present Deed with the Government seal.

3. Deed No. 14 will be returned to the Collector, for the purpose of being re-placed by a fresh one, as the date in the first line is spelt wrong, and it is now more than four months since the document was executed. The omissions referred to in paragraph 2 above, should be supplied in the plans on their re-transmission to the Board.
