*Proceedings of the Madras Government, Revenue Department,
29th November 1867.*

No. 566. Read the following Proceedings of the Board of Revenue, dated 15th November 1867, No. 7,451 :—

Read the following letter from the Acting Superintending Engineer, 1st Division, to the Collector of Ganjam, dated Camp at Dowlaishweram, 4th October 1867, No. 184.

- 1 Sketch Map.
- 1 Abstract Estimate.
- 1 Specification.
- 2 Plans of masonry works.

1. I have the honor to forward, herewith, plans and estimates, as per margin, for constructing a branch road from Trunk Road No. 6 near Cunchilly to port of Barwah *via* Sompett.

2. The estimate, which appears to have been called for by your department, amounts to Rupees 10,960, of which Rupees 5,000 are granted in the current year's Supplemental Local Fund Budget, just sanctioned.

3. I beg you will obtain the necessary sanction of Government, through the Board of Revenue.

1. Copy with plans and estimates submitted to the Board of Revenue, with reference to the concluding portion of paragraph 2 of the letter from this Office, dated the 8th May last, No. 1,332.

2. A reference to the Local Fund Budget for the ensuing year, sent to the Board on the 5th of this month, will shew that no provision has been made for 1868-69 for this road, nor for the Teckali road, because it was supposed that the sums secured for both these roads, namely, Rupees 5,000 for the former, and Rupees 10,000 for the latter, in the current year's Budget, were sufficient. However, as the estimate now submitted by the Superintending Engineer for the Cunchilly road is for Rupees 10,960, that is, Rupees 5,960 in excess of the provision, it is requested that the excess, namely, Rupees 5,960, may be inserted in the Budget now before the Board, and, further, as no estimate has, up to date, been received for the Teckali road, and as it is desirable that something should be secured for that road also in case the provision, Rupees 10,000, being exceeded; that Rupees 3,000 may be reserved for it in the same Budget, together with a sum of Rupees 896 on account of the ten per cent., cost of supervision, for both the roads.

CHETTERPORE,
24th October 1867.

(Signed) D. F. CARMICHAEL,
Collector of Ganjam.

To the Secretary to the Board of Revenue.

*Proceedings of the Madras Government, Revenue Department,
29th November 1867.*

1. The estimate, amounting to Rupees 11,060, for constructing a branch road from Trunk Road No. 6 to the port of Barwah, received with the foregoing endorsement, will be submitted for the sanction of Government.
2. The work appears in Part I. of the Supplemental District Road Fund Budget, for the current official year, as Item No. 4, with an allotment of only Rupees 5,000.
3. As requested in paragraph 2 of the Collector's endorsement, the Board direct that the necessary provision of funds for the work in question, as well as for the road from Teekali to join the Trunk Road near Casibugga, be made in the Local Fund Budget for 1868-69, which is now before the Board.
4. It is observed that the amount of estimate, for the first of the works mentioned above, is incorrectly stated both by the Collector and the Acting Superintending Engineer to be Rupees 10,960, instead of Rupees 11,060.
