Office Memorandum by the Secretary to the Government of India, Financial Department, dated Simla, the 10th October 1867, No. 2,937.

In reply to the communication from the Public Works Department, No. 1,261, E., dated the 10th September 1867, enquiring what is the precise meaning of the declaration of the Secretary of State that Mr. Bulkley rendered himself liable to loss of appointment by failing to apply for an extension of leave in sufficient time to admit of a communication being made to the Government of Bombay under which he is employed, the undersigned is desired to state that as that Government was not aware on the date on which Mr. Bulkley's original leave expired, that he had obtained an extension from the Secretary of State, it was open to the Government to treat his appointment as forfeited, and to nominate another Officer to it permanently. This would have placed Mr. Bulkley and the Government of Bombay in an awkward predicament; to prevent such a result in similar cases, and to point out the risk which Mr. Bulkley had incurred, the Secretary of State addressed him in the terms stated in the Despatch which has been published and which conveys to all Uncovenanted Servants a wholesome warning that, in the event of their seeking an extension of leave while at a distance from the Presidency or Province to which they are attached, they should arrange for that extension in sufficient time for the Local Government to be informed of it, before the expiration of their leave.
