*Proceedings of the Madras Government, Revenue Department,
2nd December 1867.*

No. 3. Read the following Proceedings of the Board of Revenue, dated 23rd November 1867, No. 7,643.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 28th October 1867, No. 279:—

1. In reply to the concluding paragraph of the Board's Proceedings, dated 9th instant, No. 6,474, I have the honor to state that the delay in transmitting the Title Deed, therein referred to, for the seal of Government, arose in consequence of the difficulty experienced in having the plan drawn on the Title Deed, the person whose services were generally availed of for this purpose having been for some months on leave of absence. It is, I believe, intended that the work of drawing up these plans should be done by the Range Officer of Public Works Department, to whom similar work in all future cases will be sent for execution.

2. Hitherto this work was done by a Draughtsman on my own establishment, who was paid from the Local Funds, but the entertainment of a servant of this description having been disapproved by the Board of Revenue, his services had been dispensed with, and hereafter work of the kind will be obtained from the Engineer's Department.

3. At the same time, it is true that, for some months, the case, through oversight, escaped notice in my Office; but I will take care that delay does not again occur.

Submitted for the information of Government, as directed in paragraph 2 of Government Order, dated 17th October 1867, No. 2,443.
