*Proceedings of the Madras Government, Revenue Department,
4th December 1867.*

No. 68. Read the following letter from the Acting Collector of Nellore, to the Secretary to Government, Revenue Department, Fort St. George, dated Nellore, 20th November 1867, No. 1,476:—

1. At the request of the Municipal Commissioners of Nellore, I have the honor to solicit the sanction of Government for making over to them, as the site for a new burying ground for Mahomedans, a piece of land for which they have applied within the Municipal limits. The land measures acres 2.17, and the site is within the projection of a bastion of the old fort on the west of the town, and is at present occupied by the ramparts which the Commissioners propose to level and so recover the area.

2. There are a very large number of Mahomedan burial grounds scattered over the town, and lying among the houses, and some of them situated on the roads. The most objectionable have been closed, but it is necessary to provide suitable grave yards instead; and this site has been specially selected by the Zillah Surgeon and a Sub-Committee with reference to sanitary considerations.

No. 69. ORDER THEREON, 4th December 1867, oN. 2,889.

Miscellaneous.

The Government sanction the assignment of the land in question for the purpose stated.
