*Proceedings of the Madras Government, Public Works Department,
29th November 1867.*

No. 669. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 19th November 1867, No. 3,974 :—

1. I have the honor to forward an estimate, amounting to Rupees 2,600, for paving with granite the portion of public road between the Sea Custom House and the Pier, Madras.

2. A pavement of asphalte was laid down three years ago, and an estimate was framed, to the amount of Rupees 840, for repairing it, at the request of the Collector of Sea Customs, which I sanctioned from funds at my disposal, as the Officiating Superintendent of Marine refused to appropriate the amount from the Port Funds.

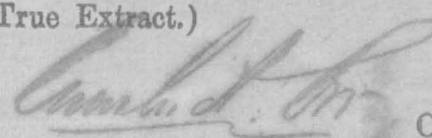

3. Mr. Blair now, however, objects to the use of asphalte at all, and requests that the sanction of Government may be obtained for the substitution of a granite flooring, as I have neither the power nor the means available from the Budget to sanction this large estimate for the purpose.

No. 670. ORDER THEREON, 29th November 1867, No. 3,717.

CIVIL WORKS, No. 91.

The estimate of Rupees 2,600 submitted with this letter is sanctioned; but, as no funds are available, the execution of the work must be deferred till the commencement of the ensuing official year, when the Government will endeavour to provide the amount required from the Reserve under "Communications."
