Proceedings of the Madras Government, Revenue Department,
7th December 1867.

No. 157. Read the following letter from the Secretary to the Government of India, Public Works Department, (Revenue—Forests,) to the Secretary to the Government of Madras, Revenue Department, dated Calcutta, 11th November 1867, No. 350F :—

1. I am directed to acknowledge the receipt of your letter, No. 2,287, dated 1st October, replying to Public Works Department letter of 30th May last, in which certain discrepancies were noticed in the scale of the Establishment for the Neilgherry sholas and Australian plantations, and explaining that the scale, as detailed in your letter of 27th March 1867, was correct.

2. In reply, I am directed to observe that the discrepancies noticed by this department are due to a re-distribution in 1863, involving an increase from Rupees 35 to Rupees 50 to the salary of an Overseer, and to the sum of Rs. 24-15-5, sanctioned as the Military pay of the Overseer on the Neilgherries, having lapsed by the promotion of the incumbent to the post of Sub-Assistant Conservator in Kurnool. Neither of these alterations were reported to this department. This omission was prior to the issue of Public Works Department (Forest) Standing Order No. 6, of 1867 (paragraph 2), requiring the submission to this department of monthly Returns of revisions of Establishments.

3. It will be convenient to have a complete statement of the existing Forest Establishment in the Madras Presidency, to serve as a reliable basis in dealing in this department with future applications for revisions of Establishments; and I am therefore, directed to request that, with the permission of the Madras Government, you will be so good as to submit a tabular statement in the usual form, shewing details of the Establishments sanctioned by the Government of India (dates of the different sanctions being quoted), and of that now existing, including travelling allowances of Officers.

4. The mis-quotation of the Financial Order, noticed in the second paragraph of your letter under reply, was a mistake in this Office. The correct reference is No. 521, dated 29th May 1865.

No. 158. ORDER THEREON, 7th December 1867, No. 2,930.

Forests, No. 3.

1. Communicated, together with copy of the letter to which this is a reply, to the Officiating Conservator of Forests, with reference to the Conservator's letter dated 16th September 1867, No. 215.

2. Captain Beddome will prepare and forward the tabular statement required by the Government of India in paragraph 3 of the letter now communicated.

(True Extract.)

Department. This omission was prior to the issue of P.W.D. (Forest) Standing Order No. 6 of 1857, (para: 2) requiring the submission to this Department of monthly returns of revisions of Establishments.

3. It will be convenient to have a complete Statement of the existing ~~as~~ Forest Establishment in the Madras Presidency, to serve as a reliable basis in dealing in this Department with future applications for revisions of Establishments; and I am therefore directed to request ^{that with the permission of the Madras Govt} you will be so good as to submit a Tabular Statement in the usual form, showing details of the Establishments sanctioned by the Government of India (dates of the different sanctions being quoted), and of that now existing, including travelling allowances of officers.

4. The misquotation of the Financial Order, noticed in the 2^d para: of your letter under reply, was a mistake in this office. The correct reference is No 521 dated 29 May 1855.
