*Proceedings of the Madras Government, Revenue Department,
10th December 1867.*

No. 192.

Dated 10th December 1867, No. 2,945.

Miscellaneous.

1. The Governor in Council directs that the Collector of North Arcot will depute the Acting Sub-Collector, Mr. Comyn, to make a tour through those talooks of the district in which the failure of the present monsoon has been most marked, for the purpose of ascertaining and reporting on the present condition of the lower classes, and determining whether it is desirable at once to set on foot works suited for affording relief to the suffering poor, and, if so, in what localities and what specific works should be undertaken. Mr. Comyn should report separately on each talook, and should submit his reports in as much detail and with as much promptitude as possible.

2. During Mr. Comyn's employment on this special duty, the Acting Head Assistant will be placed in charge of the Sub-Collector's talooks, and one of the Assistants will take charge of the talooks ordinarily entrusted to the Head Assistant.

3. The Government authorize the Collector to order, on his own responsibility, the immediate commencement of any works, the necessity of which may be established to his satisfaction, either by the result of Mr. Comyn's enquiries, or by information obtained from other sources, without awaiting the formal reports of Mr. Comyn, or the orders of Government thereon. The Government will be prepared to sanction the provision of the necessary funds.
