No. 21.

MEMORANDUM.

The Under Secretary to Government, Public &c., Departments, is directed to request that the Collector of the Godavery District will state, with reference to a municipal notice published at page 418 of the *District Gazette*, and dated 2nd instant, whether payment is demanded by the Collectorate Press for all or any of the municipal advertisements, notices, and other proceedings published by the Commission in the Gazette.

FORT SAINT GEORGE,
12th October 1867.

(Signed) F. BRANDT,
Under Secretary.

To the Collector of the Godavery District.

No. 22. From the Collector of the Godavery District, to the Under Secretary to Government, Fort Saint George; dated Cocanada, 19th October 1867;
No. 25.

With reference to your Official Memorandum of the 12th instant, No. 309, I have the honor to inform you that no payment has been demanded from the Municipal Department for advertisements, notices, and other proceedings of the Commission published in the *District Gazette*.

2. Section 32 of the Towns' Improvement Act requires the annual reports to be published in the *District Gazette*, and, therefore, I think no charge can be made on that account. Notices requiring wide publicity have from time to time been published without charge. It has not been the practice to publish the proceedings of the bi-monthly meetings, as appears to be done in certain districts. Forms and other works done for the Municipalities have been all along charged as private work.

No. 23. ORDER THEREON, 4th December 1867, No. 1519.

The Collector may permit the publication of municipal advertisements, &c., in the *District Gazette*, gratis, but he will exercise his discretion as to the space to be allowed to these advertisements, and to such other municipal notices as are not required by the Act to be published in the Gazette.
