No. 199. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Manantoddy, 25th November 1867, No. 395:—

Adverting to paragraph 3 of the Proceedings of the Government of India, dated 14th ultimo, No. 339 F., referred to in G. O., 1st instant, No. 2,582, I have the honor to explain that the services of a Gumastah sanctioned* for the Nundial talook, in the Kurnool District, at a monthly cost of Rupees 12, were discontinued in March 1866, with the concurrence of the Collector of that district, in consequence of the Tahsildar's establishment having been to a great extent relieved from forest work, as stated by Dr. Cleghorn in his letter No. 1,774, dated 24th April 1866, to the Board† of Revenue. That item was accordingly omitted in the tabular statement of Establishment salaries,‡ amounting in the aggregate to Rupees 313.

To
The Secy to the Govt of India - M. Depts

Sir,

I am directed to acknowledge the receipt of your letter dated 14th Octr 1867 No 3397, and to furnish the following explanation in reference to the remarks therein made respecting the Kurnool Fresh Establishment.

2. The cost of the scale sanctioned by the Govt of India for this Establishment in October 1865 was, as stated in your letter above quoted Rs 505 per mensem. From this sum, a saving of Rs 12 was effected in March 1866 by the discontinuance, as unnecessary of the services of a Goomastah at a monthly salary to that amount. The

an pein

omission of this item from the scale of Rs 505 accounts for the entry of Rs 493 under heading — "Previous scale" in the Statement forwarded with my letter dated 4th Sept. 1867 No 371.

3. The details of the revised scale of Rs 493 required by the Govt of India are as follow —

		Rs
1 Sub Assistant Conservator		180
1 Overseer		75
1 Gomastah		25
do		12
3 Peons @ Rs 15	Rs	45
26 Peons @ Rs		156
		313

Estab. 493

A further charge of Rs 12 on account of two additional Peons, making the total cost to Rs 505 was authorized by this Govt in May last and reported in the Statement above alluded to; and for this charge

the sanction of the Government of India is awaited.

4. Care will be taken when submitting applications for revision of Forest establishments, to furnish sufficient details of the present and proposed scales to enable the Govt of India to deal with those applications; but the entry in the Tabular Statement of such details in full, required in para 3 of your letter under reply, is opposed to the orders of that Govt which require that so far as regards items to which are not affected by the revision
