Proceedings of the Madras Government, Revenue Department,
12th December 1867.

No. 217. Read the following Proceedings of the Board of Revenue, dated 7th December 1867 :—

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vallam, Tanjore Talook, 25th November 1867, No. 227.

With reference to the Order of Government, dated the 13th instant, No. 2,682, communicated in Board's Proceedings of the 18th idem, I have the honor to state that there will be no difficulty in advancing from the District Road Fund the sum of Rupees 28,750 for works required to be executed during the current year on the Vedarniem canal, as proposed by the Superintending Engineer ; since, if the proposition which I am about to submit to the Board, for constructing a light railway between Nidamangalam and Combaconum, meets with their approval, the sum now set apart for providing gravel for metalling the existing cart-road between those places will not be required, and the cost of any gravel which may have to be taken to Nidamangalam next year, will leave more than a sufficient margin to admit of the proposed advance being given.

Submitted to Government, with reference to their Order, dated 13th November 1867, No. 2,682. It will be seen from the Collector's letter that a loan of Rupees 28,750, applied for the canal from Negapatam to Vedarniem, can be made from the allotment of Rupees 87,160, provided in the Supplemental District Road Fund Budget for 1867-68 on account of Item No. 6.

No. 218. ORDER THEREON, 12th December 1867, No. 2,957.

Separate Revenue, No. 9.

1. Communicated to the Public Works Department, with reference to G. O. No. 3,471, dated 8th November 1867, in that Department.

2. The Government sanction an advance of Rupees 28,750 from Local Funds for the Vedarniem canal works, to be repaid from the Imperial Budget provision for the year 1868-69.

3. Orders to ensure this re-payment will be issued in the Department Public Works.
