Proceedings of the Madras Government, Revenue Department,
13th December 1867.

No. 236. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort St. George, dated Madras, 27th November 1867, No. 2,164 :—

1. Adverting to paragraph 4 of G. O. No. 2,781, dated 23rd November 1867, I have the honor to report that no action was taken on the G. O. No. 672, Judicial Department, dated 30th May 1860, for the revision of the Village Police of South Arcot.

2. The matter was a complicated one and required time, with reference to previous and partial settlements. The Budget Rules also staid all action in that direction ; for expense was involved, and the rules required that all Police expenditure should appear in the Budget against Police, while no offset per contra could be admitted. Nothing could be done after the Budget limit was laid down in 1863.

3. The Taliari is a village servant, and but partially employed on Police duty, such as giving information of the occurrence of crime in the village, and aiding in its detection when necessary, in common with many other revenue and village duties. The charge for these local quasi-petty Constables and village servants cannot, therefore, properly be brought on the General Police Budget. It belongs to the Village Service Fund.

Transferred to the Revenue Department.

(Signed) R. S. ELLIS,
Chief Secretary.
