Proceedings of the Madras Government, Judicial Department,

6th December 1867.

No. 59. Read the following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort Saint George; dated India Office, London, 24th October 1867, No. 17.

I have received and considered in Council your Despatch, dated 23th July (No. 14) 1867, forwarding a Report on the administration of the Hill Tracts of Ganjam and Vizagapatam during 1866.

2. This report, taken as a whole, is very satisfactory, and I heartily concur in the terms of commendation contained in Government Order (No. 1012) dated 25th June last, in which you have noticed the services of Messrs. Forbes and Carmichael, to whose zeal and ability, aided by the activity of the Police Force and the experience of Lieutenant Smith, the favorable results now reported are mainly due.

3. The question of establishing a Salt Depôt at Poornaghur is a matter of considerable importance, and I desire that you will inform me as to the result of the reference which has been made to the Board of Revenue on the subject.

4. I regret that the tranquillity of the Jeypore territory has been disturbed by the Rajah of Bustar, whose conduct was to be brought to the notice of the Chief Commissioner of the Central Provinces, with a view to the adoption of such measures as may be deemed necessary to prevent such an abuse of power by the Rajah, as that now reported.

5. The readiness of the Sowrahs to avail themselves of the benefit of vaccination is a most favorable feature in this report, and appears to be in a great measure due to the confidence they place in the 2nd Dresser Chinnasawmy, whose exertions have very properly been brought to the notice of the Inspector General of the Medical Department.

No. 60. ORDER THEREON, 6th December 1867, No. 1990.

Ordered that copies of the foregoing Despatch be communicated to Messrs. G. S. Forbes and D. F. Carmichael.

2. Paragraph 2 will be communicated to Lieutenant Smith through the Inspector General of Police; paragraph 3 to the Board of Revenue; and paragraph 5 to the Inspector General, Medical Department.

3. Paragraph 4 will be communicated to the Chief Commissioner of the Central Provinces.
