*Proceedings of the Madras Government, Revenue Department,
31st December 1867.*

No. 405. Read the following letter from the Quinologist to Government, Ootacamund, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 26th December 1867:—

1. Adverting to Government Order No. 241, December 13th, 1867, I have the honor to state that I propose to avail myself at once of the permission accorded me to investigate the natural products of the districts adjacent to the hills. The necessary chemical work can obviously be more easily performed during the cool season.

2. Conformably to the import of paragraph 3 *ibid*, I have the honor to request that Government will be pleased to allow me the use of a Subaltern's tent and also a baggage tent, with four lascars and bullocks for transit. I should be glad if the tents could be forwarded to me at Coimbatore.

3. I beg to express my thanks for the facilities which Government afford me in this work. I will endeavour to perform it as thoroughly as possible, since the information gained will doubtless be useful for subsequent purposes.

No. 406. ORDER THEREON, 31st December 1867, No. 3,047.

Miscellaneous.

1. Orders will be issued in the Military Department to place the tents asked for at Mr. Broughton's service, with the usual number of lascars.

2. The Collector of Coimbatore will arrange for the provision of carriage for the tents after delivery at Coimbatore.
