THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

Land Revenue.

1. The Revenue Survey of the Coimbatore District of this Presidency is now in progress.

2. The necessary preliminary demarcation was commenced under the *Settlement* Department, and when, in December 1864, it was determined to place this portion of the work of Survey and Settlement under the Survey Department, the Settlement Department was directed to complete the work in the talooks and villages already undertaken, and then to transfer the duty and the Establishment employed on it to the Survey Department.

3. When, however, in March 1866 the work in these talooks and villages was completed, the Survey Department was not prepared to take over the Demarcation Party, and as there was a considerable extent of land demarcated for survey, the Establishment was broken up.

4. The progress of the Survey has now rendered its re-organization necessary, and the Superintendent of Survey, accordingly, in submitting his Budget for 1867-68, pointed out that he had included in it the necessary provision for the ensuing year, the charge for the remainder of the current official year being met from savings.

5. It was however observed that, under the instructions conveyed in the Financial Secretary's letter of 12th May 1862, No. 3,372, to the Civil Paymaster, Madras, special sanction is necessary for the re-entertainment of Establishment once reduced, and for which provision is not made in the sanctioned Budget for the current year, and the Superintendent of Revenue Survey was accordingly directed to submit a separate application for sanction, which he has now done.

6. The proposed Establishment, of which a list is enclosed, is on the same scale as that now at work in the Madras District, and is calculated to cost Rupees 50,223-8-0 yearly, and I am directed to request the sanction of the Government of India for its entertainment.

7. The Accountant General has been directed to prepare a Supplemental Budget for submission to the Government of India, to meet the proposed charge in the next official year, the provision in the Survey Budget, as passed by this Government, being insufficient to cover it.

8. As the necessity for re-commencing the work is urgent to avoid delay in the Survey, and as the charge for the remainder of the current year can be met from savings, the Superintendent of Survey has been authorized to proceed at once with the re-organization of the party, in anticipation of sanction.

I have the honor to be,
Sir,
Your most obedient servant,
