No. 93. Read the following letter from the Acting Collector of Kurnool, to the Chief Secretary to Government, Fort Saint George, dated Kurnool, 28th January 1867, No. 5:—

* To Govt., dated 4th August 1866, No. 32.
From do. do. 11th do. ,, ,, 2501.
To do. do. 20th do. ,, ,, 38.

From Board of Revenue, dated 11th September 1866, No. 6,507. — Govt. Order dated 30th August 1866, No. 2,748, Public Works Department; and 7th September 1866, No. 2,404, Revenue Department.

From Board of Revenue, dated 11th September 1866, No. 6,519. — Govt. Order dated 6th Sept. 1866, No. 2,373, on Board's Proceedings dated 27th Aug. 1866, No. 6,123.

To Board of Revenue, dated 2nd November 1866, No. 230.

From do. do. 4th December 1866, No. 8,656, conveying Government Proceedings dated 29th November 1866, No. 3,256.

1. With reference to the correspondence noted in the margin,* I have the honor to report that, up to the 20th instant, of the 10,500 Rupees sanctioned, a balance of Rupees 687-12-8 remained. The Deputy Collector, Timmapah, considering that that sum will only suffice for this month, has directed the Sub-Magistrate of Peapally to discontinue the coolies as soon as the balance in hand on the 20th is expended.

2. The work is not completed, and it is a great pity to have it in an unfinished state, and the Deputy Collector requests a further sum of Rupees 6,500 may be sanctioned. In Honorable R. Ellis' opinion, it was considered advisable that the able-bodied poor should receive relief, thus afforded, till the end of March, which is the harvest time of the second crop.

3. Mr. Sullivan's estimate was for Rupees 17,000, (letter No. 38, dated 20th August,) but a sum of Rupees 10,500 only was sanctioned.

4. I find that the sum sanctioned for the Eldurti and Ramulkota road, amounting to Rupees (4,000) four thousand, (*vide* Proceedings of Government, dated 17th September 1866, No. 2,499,) has not been touched, and that that road has not been taken in hand. I would, therefore, suggest that the Rupees 4,000, out of 6,500 necessary for the Rungapore and Jonagiri road, should be allowed, and the construction of the road from Eldurti left in abeyance for the present.

5. It is a pity to abandon what will be a very useful road; but as the Rungapore and Jonagiri is approaching completion, it would be better, I think, to finish that first, before commencing a thoroughly new road between Eldurti and Ramulkota.

No. 94. ORDER THEREON, 8th February 1867, No. 333.

Miscellaneous.

1. The Government sanction a further special grant of Rupees 6,500 for the continued employment of the able-bodied distressed poor on the Jonagiri and Rungapore road.

2. The grant for the Eldurti and Ramulkota roadwork, unless needed for the purpose of relief, must be considered cancelled.

3. The work itself should be taken in hand when Local Funds are available, as it promises to be very useful.
