No. 107. Read the following Proceedings of the Board of Revenue, dated 30th January 1867, No. 659.

Read the following letter from the Superintendent of Marine, to the Secretary to the Board of Revenue, dated Madras, 26th January 1867, No. 290:—

From the Collector of Tinnevelly, dated 21st January 1867, No. 167, with one enclosure.

In forwarding the accompanying correspondence regarding the steamer "Godavery" for disposal, I have the honor to inform you that the early part of March will be a favorable time for sending the vessel back to Cocanada, and that I think the Master Attendant at Tuticorin, or some person more competent than the Tindal, should have charge of her during the voyage.

From the Collector of Tinnevelly, to the Superintendent of Marine, dated 21st January 1867, No. 167.

With reference to the enclosed, I have the honor to request that you will acquaint me with the wishes of Government, as to the disposal of the screw steamer "Godavery."

From the Superintendent of Pearl Banks, to the Collector of Tinnevelly, dated Tuticorin, 19th January 1867, No. 3.

1. With reference to the Order of Government, No. 2,571, dated 24th September 1866, I have the honor to inform you that I propose despatching the steamer "Godavery" for Cocanada, on or about the 5th March next; should the weather at that time be favorable, the crew of the "Emily" will take her up, and a passage back will have to be found them by steamer to this place.

2. Should Government deem it advisable, I will myself deliver the vessel at Cocanada, or endeavour to procure a suitable person here for the purpose; the vessel might safely go as far as Madras in charge of the Tindal; the latter is, however, unacquainted with the coast to the north of Madras, and a Pilot must, therefore, be engaged.

3. The vessel will require coal at Madras; the necessary orders should be issued to give her the quantity wanted on arrival.

Forwarded to the Collector, who will report at once whether any inconvenience will be occasioned by Captain Phipps himself delivering the steamer at Cocanada, as proposed by him.

No. 108. ORDE THEREON, 9th February 1867, No. 340.

Ordered to be recorded.
