Dated 9 — 2 — 1867.

Not to be folded or roughly handled

No. 111. Read the following Proceedings of the Board of Revenue, dated 28th January 1867, No. 595.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 16th January 1867, No. 11 :—

1. I have received the Proceedings of Government of 19th December 1866, No. 3,423, communicated in the Board's Order of 10th instant, and in reply beg to state that this Office was aware of the Government Order of 11th May 1866, No. 1,126, but the object of the reference made by the Acting Collector was to report that the sum of Rupees 300 sanctioned in that Order was not advanced to Dr. Day, as stated in the Government Order of 16th October 1866, No. 1,058, and to ascertain the correct amount due to him, as he blended his account of trout expenditure with that of the country fish.

2. I now beg to enclose copy of a letter from Dr. Day, annexing a statement of charges incurred by him both for the trout and the low country fish experiment. It will appear that the aggregate expenditure was Rupees 1,259-14-6, of which deducting Rupees 20, the amount of house rent since refunded, the net expenditure amounts to Rupees 1,239-14-6; against this sum Rupees 900 are said to have been received by him, viz.,

	Rs.	A.	P.
In Europe...	600	0	0
In India	300	0	0
	900	0	0

The correctness of this statment this Office has not the means of ascertaining, as no payment was made to Dr. Day from this treasury. The net balance due, *minus* the above payment, is Rupees 339-14-6, as shewn below :—

	Rs.	A.	P.
Due to the Tahsildar of Coimbatore...	3	3	8
,, to Mrs. Clarke	69	0	0
,, to Dr. Day...	267	10	10
	339	14	6

The first sum has been paid to the Tahsildar. The second sum was sent to Metapolliem, but has been returned, as Mrs. Clarke is not forthcoming there. I have just heard from Dr. Day that he has since paid the money to her. It will, therefore, be sent to him by a public service transfer receipt. The amount still due to him is Rupees 267-10-10, which sum will likewise be remitted to him on my receiving the orders of Government that his statement of the payment to him of 900 Rupees is correct.

From Surgeon F. DAY, to the Collector of Coimbatore, dated Kurnool, 9th November 1866.

1. With reference to your letter, No. 293, dated 3rd November 1866, I have the honor to submit a statement of my account with Government, and to request you will pay the balance, viz., Rupees 267-10-10, to Messrs. Binny & Co., Madras, to my account.

2. I have deducted Rupees 20, which has been refunded for rent, and also Rupees 3-3-8 for the Tahsildar of Coimbatore, and Rupees 69 due to Mrs. Clarke, Metapolliem, which last two sums I wish you would kindly disburse to the respective parties.

3. I have not received any money on account of the low country fish experiment, as is erroneously stated by Government.
