Proceedings of the Madras Government, Revenue Department, 13th February 1867.

No. 154. Read the following Proceedings of the Board of Revenue, dated 7th February 1867, No. 756.

Read the following letter from J. FISCHER, Esq., Agent and Manager of the Shevagunga Zemindary, to the Secretary to the Board of Revenue, dated Madura, 11th January 1867:—

The Board were pleased to send me some South Carolina paddy, which I grew in the Zemindary of Shevagunga. The crop is coming in, and I shall in due course wait upon the Board with a larger specimen of the out-turn, and with a report on its culture and its advantages over the country paddy. But in the meantime, I beg to send them a few ears that I have just gathered from the fields, for submission to Government.

The specimen forwarded with the above letter will be submitted to Government. The crop would seem to be most promising. Mr. Fischer will be informed that the Agri-Horticultural Society intend offering a prize for this description of paddy at their Exhibition next month.

No. 155. ORDER THEREON, 13th February 1867, No. 363.

Miscellaneous.

The Government are much obliged to Mr. Fischer for the sample.
