Proceedings of the Madras Government, Revenue Department,
15th February 1867.

No. 190. Read the following Proceedings of the Board of Revenue, dated 1st February 1867, No. 676.

Read the following letter from the Collector of Tinnevelly, to the Secretary to the Board of Revenue, dated 14th January 1867, No. 33 :—

I have the honor to inform you that Captain Phipps has just returned from an inspection of the Pearl Banks, and reports that he has found a plentiful supply of oyster-spat attached to sea-weed floating near the oyster beds. As the sea is now calm, and will probably remain calm for some time, the divers are of opinion that the weed will sink and re-stock the oyster beds.

Submitted for the information of Government.
