SIR,

I am directed to acknowledge the receipt of your letter No. 3073 dated 1st August 1896, and enclosures, on the subject of the proposed employment of Mr. Anderson in the Madras Presidency.

2. In reply, I am to say that Mr. Anderson, the Specialist attached to the Geological Survey, has resigned his appointment and that it will take some little time to arrange for the appointment of a successor. But the delay will apparently be of some advantage since it will allow Mr. Middlemiss to make further inquiries into the mineral resources of the Madras Presidency. The result of these further inquiries might lead to a revision of any working-plan that might be drawn up now; and the Government of India propose therefore to take no further action in the
