Note.

The Govt. of India apparently wants figures for the official year. In the first of the papers read above the Board furnished information for the fasli year, and it is not possible to work out therefrom the figures for the official year unless the demand of each district for each year be known. The following telegram may, it is thought, be sent to the Board of Revenue:-

Your Progs.No.4516 Mis.dated 5th instant. Wire figures for official years showing separately settlement increases.
