Proceedings of the Board of Revenue

(Land Revenue)

Dated 28th July 1896, no 3445

Mis.

Read----- Progress report of Escheat settlement for the quarter ending 31st March 1896, received from J. Hewetson, Esqr, I.C.S., ag: Collector of Malabar, no 1254/Rev dated 1st July 1896, to the Secretary to the Commissioners of Land Revenue, Madras.

Read----- also letter from the same officer dated 8th July 1896, no 1310/Rev.

Resolution----- The progress reports read above will be submitted to Government in continuation of Board's Proceedings 2135/9-5-96 Mis recorded in G.O. 2382 Mis / 18-6-96.

2. Claims to 303 plots of land remained to be investigated under the old settlement on the 1st January 1896, of which claims to 110 relating to the Chirakkal taluk were settled during the 5 months under review. In the remaining taluks, viz, Kottayam, Ernad, Ponani and Palghat, no work was done nor have any reasons been assigned for the delay. It is reported that the Divisional Officers have been instructed to direct the Tahsildars concerned to show better results in future reports, but the Board is constrained to remark that the short outturn is not creditable to the officers concerned.

3. Under the new settlement, claims to 456 lands in the Chirakkal taluk which have already been investigated with the result that the ownership was found to be vested in Government have been omitted from the progress reports as directed in B.P. 2135/Mis dated 9th May 1896. Of the remaining 592 cases that remained for settlement on 1st January 1896, only 67 in the Cochin taluk were disposed of during the five months under review, leaving 525 at the beginning of June. These cases are outstanding in the taluks noted in the margin. Of the 209 lands
