Proceedings of the Madras Government, Revenue Department, 20th February 1867.

No. 256. Read the following Proceedings of the Board of Revenue, dated 13th February 1867, No. 872.

Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated Camp at Cottachervu, in the Talook of Pencondah, 22nd January 1867, No. 9 :—

The village site of Cotnagul, in the Talook of Huvinhadgaly, having been reported to be liable to inundation, the inhabitants desire to remove to another locality. There are six acres of Government Poremboke, or unassessed waste land on an elevated spot in the same village, suitable for this purpose, which were once before occupied by a village, the cause of desertion of which is now unknown. As the site is reported to be suitable, and as no objections exist against its occupation, I beg sanction to make it over to the villagers in question.

Submitted for the sanction of Government. The Collector will be instructed to have the land laid out in suitable blocks, and with due regard to sanitary considerations.

No. 257. ORDER THEREON, 20th February 1867, No. 414.
