Miscellaneous.

READ the following letter from J. Swigg Esquire, Collector of Madras, to the Secretary to the Commissioners of Land Revenue Madras dated 14th September 1896, Refon 866. Forests.

I have the honour to report that owing to some delay in the publication of the notification in the towns and villages the Forest Settlement Officer was not able to complete the business within the dates notified for reservation, and to request therefore that a fresh date may be notified.

1st December 1896 is suggested as a suitable date.

Endorsement thereon by E. D. M. Hoopes Esquire, Ag. Conservator of Forests, Southern Circle dated

Resolution.

Submitted to Government with the request that, for the reason stated by the Collector, the blocks finally notified under Government Orders n^o 70 and 78 dated 12th and 15th February 1896 ~~may be~~ declared 'reserved' from the 1st December next as suggested by him. The necessary draft erratum is submitted herewith for approval and publication in the Fort St George Gazette.

2. The numbers of the Government Orders quoted by the Collector being apparently those of the notifications in the Gazette and the names of the blocks concerned not being given in the body of the letter, there was much difficulty in tracing the orders in question. The Collector is requested to see that references are properly quoted in his office.

3. As the appointment of a Forest Settlement Officer is necessary in order to publish the notifications in the manner prescribed under sec 16 of the Forest Act, the Board also submits to Government a draft notification appointing M. R. Ry. P. P. Thigaravelu Pillai Aiyangar as Forest Settlement Officer in respect of the blocks in question.
