Proceedings of the Madras Government, Revenue Department, 21st February 1867.

No. 268. Read the following Proceedings of the Board of Revenue, dated 13th February 1867, No. 863.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 16th January 1867, No. 12:—

1. I have the honor to inform you that the sum of Rupees 400, allowed for the temporary establishment sanctioned in Government Order, No. 2,972, of the 28th November 1865, for arranging the records in the Huzoor, will have been spent by the 10th February next. The establishment was entertained on the 10th May 1866, and the number of Dufters arranged during the last eight months is 3,000.

2. Of this, 1,249 Dufters have been destroyed and sold, the sale-proceeds amounting to Rupees 230. The Board were again addressed on the 21st December 1866, No. 315, for authority to destroy and sell 1,747 Dufters; but I have not yet been favored with an answer. It is expected that these 1,747 Dufters, when sold, will realize Rupees 300. Thus, the sale proceeds of these 3,000 Dufters will probably amount to Rupees 530, which exceeds the sum originally sanctioned for the temporary establishment by Rupees 130.

Vide my letter, No. 187, of the 19th July 1866.

3. There are yet 9,000 Dufters to be arranged. This work cannot be got over by the 10th February next; I therefore request that the Board will be good enough to obtain a further grant of Rupees 600. Provision is made to this extent in the Budget Estimate.

—

Submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, a further grant of 600 Rupees be sanctioned for the arrangement of the records. The sale-proceeds of the waste papers will, of course, be carried to the credit of Government.

No. 269. ORDER THEREON, 21st February 1867, No. 420.
