No. 272. Read the following Proceedings of the Board of Revenue, dated 12th February 1867, No. 840.

Read the following letter from the Acting Collector of Kurnool, to the Secretary to the Board of Revenue, dated 26th January 1867, No. 17 :—

1. I have the honor to request you will have the goodness to obtain the sanction of the Board for the entertainment, temporarily, of two District Tappal Runners, on 5 Rupees each, between Nundial and Koilkoontla, in addition to the three sanctioned in Mr. Pelly's scheme, till the new Talook Cutcherry at Alamoor is erected.

2. It appears Mr. Pelly's scheme, as far as the District Post is concerned, was not introduced in this district, though sanctioned in 1864. I requested the Assistant to carry it out at once, in doing which he found the necessity of appointing two extra hands between the above places, as only three runners were originally sanctioned to convey the tappal between Sirwell and Koilkoontla; but as the head-quarters of the former talook has since been removed to Chagulmurry, as a temporary measure, the line of communication was necessarily changed from Nundial to Koilkoontla, to save the necessity of the tappal to the latter place being taken all the way to Chagulmurry, and thence to Koilkoontla.

3. The distance between Nundial and Koilkoontla is twenty miles, so that three runners are not sufficient to convey the tappal as expeditiously as is necessary for the exigencies of the service; I therefore beg that sanction may be obtained for the two extra runners who have been entertained in anticipation of the sanction of the Board.

From the Assistant Collector of Kurnool, to the Collector of Kurnool, dated 24th January 1867, No. 4.

I have the honor to report that I have issued orders to the several Tahsildars to put into execution the new scheme sanctioned by Government for the District Post, save in the Sirwell Talook, in which instance, I have not only to leave the present arrangement unaltered, but to request that you will permit me to entertain two extra runners for that line, to continue till the Talook Cutcherry at Alamoor, in the Sirwell Talook, is built. The sanction of the Board of Revenue will be necessary to entertain these extra hands, but as the exigency of the case will not permit of me waiting till the sanction of the Board is received, I beg that I may be permitted to entertain them at once in anticipation of sanction.

The sanction of Government will be requested for the temporary employment of two runners, on a monthly salary of 5 Rupees each, till the Talook Cutcherry at Alamoor is erected.

No. 273. ORDER THEREON, 21st February 1867, No. 422.
