No. 290. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 14th February 1867, No. 308-11 :—

1. The floating advance for the purpose of erecting demarcation marks in the Madras District on account of Government, and also (in order to avoid delay) on account of ryots who neglect to erect them when called on to do so under Act XXVIII. of 1860, was, on the application of the Acting Superintendent Revenue Survey, raised to Rupees 7,500, in G. O. dated 1st October 1866, No. 2,630.

Sections VI. and VII.

2. Lieutenant Cloete, the Officer in charge of demarcation in the Madras District, has applied for an addition of Rupees 5,000 to this sum, and I now do myself the honor of soliciting sanction to this addition, which will raise the total advance to Rupees 12,500.

3. I recommend this proposal, inasmuch as whatever amount is advanced to ryots, will eventually be recovered, and also because the want of funds to erect marks is tantamount to delays at the expense of Government, and results in unduly swelling the already heavy cost of demarcation.

4. The immediate cause of the necessity for this application is the extreme difficulty experienced in recovering advances from ryots, either direct or through the Tahsildar, and the delay occasioned by the obligation to postpone the preparation of bills until not only the village concerned, but those surrounding it have been completely demarcated. To this may be added that, for each ryot, a separate demand must be made out, debiting him with the due proportion of the general charge.
