22nd February 1867.

No. 317. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st February 1867:—

1. I am directed by the Board of Revenue to request that a Member of the Board may be deputed to proceed to Calicut, for the purpose of being present at the Exhibition which is about to take place there.

2. The Board are of opinion that it is very desirable that the people of the country, as well as the officials of Government, should understand that the Government and the Board are deeply interested in the success of these Exhibitions, and they consider that the deputation of one of their body to Calicut, on this occasion would tend to effect this object.

3. If the Government accede to this suggestion, the third Member will proceed to Calicut about the end of this month, and will be absent from Madras for about fifteen days.

No. 318. ORDER THEREON, 22nd February 1867, No. 445.

The Government approve and sanction the proposal that a Member of the Board of Revenue should proceed to Calicut to be present at the approaching Exhibition, and resolve to depute Mr. J. D. Sim on the duty.

I have no real faith in the value of such distant exhibitions as we have been able to get up in this Presidency, but the little trouble & expence, & absence from Home will certainly be augmented by the presence of a member of the Bd of Rev
