*Proceedings of the Madras Government, Revenue Department,*
*25th February* 1867.

Read the following papers :—

No. 333. Proceedings of the Board of Revenue, dated 8th February 1867.

Read the following letter from the Officiating Inam Commissioner, to the Secretary to the Board of Revenue, dated ——, No. 6.

1. The Government have sanctioned the entertainment of eighteen additional servants in the English Department of my office from the 1st proximo, but there is no space to accommodate them in that portion of the Board's building assigned for my use. It is also necessary that the twelve Clerks of my office, who now work upstairs, should be sent below, as I am constantly disturbed by their noise close to my room. The space required for these eighteen extra hands, as well as for those now employed upstairs, cannot be less than 100 square yards, as all of them have to use chairs and tables.

2. Under these circumstances, I shall feel obliged by your informing me whether you can place at my disposal such additional accommodation as I require.

The Board observe that the advent of the Inam Commissioner's Office Establishment and Records has already so over-crowded the building, that it is quite impossible to allot to him any additional space at present. The Board resolve, however, to request Government to be pleased to place at their disposal the rooms now occupied by the Lithographic Press, belonging to the Public Works Department of the Government Office. If these rooms are made available, the Board will be in a position to provide the additional space required by the Acting Inam Commissioner, and will also be able to make a new allotment of the accommodation among the several departments which, on sanitary considerations alone, is highly necessary.

No 334. Official Memorandum from the Secretary to Government, Public Works Department, to the Secretary to Government, Revenue Department, dated Fort Saint George, 11th February 1867, No. 18.

In reply to the Memorandum from the Secretary to Government, in the Revenue Department, No. 1, dated the 8th February 1867, the undersigned has the honor to state that there is no objection to the Lithographic Press Establishment being removed from the rooms which it at present occupies at Chepauk, provided the Board of Revenue can point out another suitable building for its accommodation within a convenient distance from the Fort.

No. 335. ORDER THEREON, 25th February 1867, No. 453.

The Barrack Master will ascertain the requirements of the Government Lithographic Press Establishment as regards space, and report whether room can be found for lodging the department in the Fort.
