Proceedings of the Madras Government, Revenue Department, 25th February 1867.

No. 347. Read the following letter from the Superintendent of Marine, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd February 1867, No. 693 :—

1. I have the honor to acknowledge receipt of Proceedings of Government of the 22nd instant, No. 444, and to state that the freight of rice by coast steamer to Pooree would be about 3 Rupees a bag. By a sailing vessel I believe it could be sent at about 1 Rupee a bag, and as the wind is fair this would be the best mode of despatching it.

No. 649, dated 21st February 1867.

2. Referring to my letter marginally noted, stating that the steamer "Coringa" would take up the boats and boatmen, I have now to report that she has sprung a leak, and has been obliged to return to Bombay. It may, therefore, be necessary to send them by sailing vessel also.

No. 348. ORDER THEREON, 25th February 1867, No. 459.

Miscellaneous.

1. The Superintendent of Marine will use his discretion as to the most expeditious manner of forwarding the boats and crews and the grain to Pooree.

2. The Government are disposed to concur with him in opinion that under the circumstances a sailing vessel had better be taken up at once.
