Proceedings of the Madras Government, Revenue Department,
26th February 1867.

No. 359. Read the following Proceedings of the Board of Revenue, dated 18th February 1867, No. 987.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 30th January 1867, No. 22:—

Referring to paragraph 2 of the Proceedings of the Board, dated 16th instant, No. 293, I have the honor to state that the 5,000 Rupees estimated for, for opening the District Road No. 27, was placed at the disposal of the Department of Public Works along with the other Budget allotment for the year 1866-67. It has, therefore, to be retransferred to the Revenue Department, by whom the arrangement for the contract has been made. Such transfer will obviate the appearance of money having been left at the credit of the Public Works Department, and been unexpended by them; whilst as the contract has been made by the Revenue Department, there is no reason why the expenditure should be debited as by the Public Works Department, and ten per cent. thereon debited on that department's account to Local Funds.

1. Submitted to Government, with reference to their Proceedings, dated 28th January 1867, No. 259.

2. The Accountant General will be requested to make arrangements for carrying out the retransfer of the funds in question.
